

## Patient Research Experience Survey 2019-2020

NIHR Clinical Research Network Greater Manchester

The National Institute for Health Research would like to understand more about patient experience of clinical research taking place in the NHS. Please help us by completing this anonymous questionnaire.

Taking part will not affect any of your further treatment or any future participation in a research study. Your responses will help us improve the way clinical research is delivered in the NHS and we will publish the anonymous findings.
